

# WINE TASTING BADGE

## Research & Planning Worksheet

### Step 1 Research

Write down the most fun and interesting facts you learned from your research. What questions do you still want to find answer to in Step 2?

A large, empty rectangular box with a black border and four small arrows pointing inward from the corners, indicating a space for writing.

### Step 2 Learn from Others

Where can you go to learn from others? Who did you learn from and what did they tell you?

A large, empty rounded rectangular box with a black border, intended for notes related to Step 2.

### Step 3 Knowledge Sharing

How do you plan to share your knowledge with others? Host a gathering? Teach a new skill? What supplies will you need? What are the most important facts you want to share?

A large, empty rectangular box with a black border and four small arrows pointing inward from the corners, intended for notes related to Step 3.
