

PASTA MAKING BADGE

Research & Planning Worksheet

Step 1 Research

Write down the most fun and interesting facts you learned from your research.

What questions do you still have after Step 1?

Step 2 Learn from Others

Where can you go to learn from others? Who did you learn from and what did they tell you?

Step 3 Knowledge Sharing

How do you plan to share your knowledge with others? Host a gathering? Teach a new skill? What supplies will you need? What are the most important facts you want to share?
